

Sailing in the Caribbean

22.02. - 07.03.2020

The hop off point for our trip into the Grenadines is the island of Martinique. From there we set sail south, passing the islands of St. Lucia, St. Vincent and further into the Grenadines. We will anchor in the most stunning lagoons with crystal clear water, surrounded from palmfringed white beaches. Most of those incredible places are only reachable by private yachts and far off the beaten tracks of masstourism.

What to expect:

We want you to have the most exciting and outstanding two weeks holiday of your lifetime with us! We'll take you to up to 7 different islands and more than 10 different beaches, coves and anchorages. It's a tour through a tropical paradise. Swim with turtles, climb volcanos, sail like a pirate:) and explore the true Caribbean!
